

Angostura

The perfect addition to a tall cocktail or non-alcoholic drinks, bitters gives any beverage an aromatic lift. The most common use for bitters is in the classic Lemon, Lime and Bitters: rim a glass with 5 or 6 dashes of bitters, add ice and swirl to coat the glass. Fill with lemonade and 15mL of lime cordial or lime juice. Garnish with a slice of lemon or lime and you have one of the world's favourite mixed drinks.
