Laphroaig Islay Single Malt Scotch Whisky 18 Years Old

An instant warming tang of smoke that fades into smooth floral scents and blends seamlessly into an oaky nuttiness and leaves a lasting sweetness on the taste. With a touch of water the peaty warmth fills the mouth but does not overshadow the sweet chocolate smoothness. This is balanced by the rich toffee taste and slowly fades into a delicate hint of heather and peat smoke.

Laphroaig Islay Single Malt Scotch Whisky Select Cask

COLOUR: A Fully Natural colour with no caramel added, it is sparkling gold with layers of colour arising from different maturations and oils mixing together.

NOSE: Peat first, then ripe red fruits from the PX and Oloroso casks. A hint of dryness next from the American oak with a long lingering florally finish - Marzipan and even limes at the end.

PALATE: This full bodied whisky is initially sweet up front- matching the nose, then the classic dry, peaty, ashy flavours come bounding in followed by a lovely rich finish arising from the rich fruits of the European casks.
